

Are you a part of the next generation of entrepreneurs?

Network with your peers from around the world and learn from entrepreneurs who have been in your shoes.

The Global Student Entrepreneur Awards (GSEA) helps you unlock your full potential as you start to build your entrepreneurial ventures. Make life-enhancing connections and engage in peer-to-peer learning as you compete through local and regional competitions. You may even have a chance to compete against the world's best student entrepreneurs at the GSEA Global Finals!

Want to compete?

You must be enrolled in an undergraduate programme at a recognized college or university, own a business that has been operational for a minimum of six consecutive months, and be principally responsible for the operation of the company at the time of application.

Do you have what it takes?

Compete through local and national competitions to win your shot at going head-to-head against the best student entrepreneurs in the world.

GSEA has been life-changing for me. The entire experience has made me grow and realize how much it matters to understand who you are and what got you to where you are. If that fuels your motivation and drives you forward then it doesn't matter how hard it gets.
