

Mr Micael Musov

Университет за национално и световно стопанство

Mr Micael Musov,

On behalf of the International Conference "Student Leadership Conference" Organizing Committee, we are very pleased to invite you to participate in the conference in the online-format.

The conference is organized by the Financial University under the Government of the Russian Federation. The conference will take place on October 23, 10:00-13:00.

The international conference "Student Leadership Conference" is held by the Financial University together with the international professional organization IMA (Institute of Management Accountants), which unites more than 120,000 specialists in the field of international Finance and accounting and analytical work from 130 countries.

As the key speakers at the conference will include: the Dean of International financial faculty of Financial University, doctor of technical Sciences, Professor A. I. Ilyinsky, Director of the European office of IMA, Alain Mulder, senior Vice President Department Global Business Development IMA James Hurivka, CFO Lamoda Group Mikhail Sklyarov and other representatives of the academic and business communities.

Within the framework of the conference, it is planned to discuss the prospects of cooperation between higher education institutions and professional organizations in the field of international finance and accounting and analytical activities, as well as the possibility of forming professional competencies in the process of studying at the university, which are in demand on the international labor market. Students will be interested to learn about IMA scholarship opportunities for passing the certificate in management accounting (CMA) exam.

For more information, you can contact professor of the Department of Accounting, analysis and audit Marina Sidorova (e-mail [misidorova@fa.ru](mailto:misidorova@fa.ru), tel. +7-926-905-7214).

We look forward to your attendance at the meeting.

The Dean of International financial faculty  
Doctor of technical Sciences,  
Professor

Alexander I. Ilyinsky
