

International Network for
Nuclear Security Training
and Support Centres

NSSC Network

**Technical Meeting on Cooperation among the Members of the Consortium
Sub-Regional Group of the International Network for
Nuclear Security Training and Support Centres (NSSC Network)**

**University of National and World Economy
Sofia, Bulgaria
24 – 27 November 2025**

AGENDA

Objective: Strengthen and expand the activities of, and facilitate coordination among, the members of the Consortium, by identifying technical capabilities unique to and common among all NSSCs and discussing plans for possible joint support activities based on existing needs and gaps as well as opportunities for collaboration.
