URL: <https://yearbook.unwe.bg/>

ISSN (print): 1312-5486; ISSN (online): 2534-8949

DOI <https://doi.org/10.37075/YB>

The Yearbook of UNWE is inviting papers for Vol. 1 and 2 which are scheduled to be published in 2023. Last date of submission is May 31, 2023. However, an early submission will get preference in case of review and publication process.

THE YEARBOOK OF UNWE is a peer-reviewed academic journal and provides a platform for the scientific community and those who have an interest in emerging issues in social science to exchange ideas. The journal publishes theoretical and empirical research articles, scientific announcements, etc. We welcome the article(s) submission in: Economics, Administration, Management, Law and Political Studies as well as in areas related to them.

PUBLISH YOUR NEXT ARTICLE IN THE YEARBOOK OF UNWE

THE YEARBOOK OF UNWE publishes only original research works that have not been published before and have not been simultaneously submitted for publication anywhere else.

The acceptable articles should be well written and in line with the requirements of the journal. To download “paper template” and requirements please visit the website, section “Requirements to the contributors”. Please read the instructions before submitting your manuscript.

The manuscript should be submitted online through the journal’s internet platform (<https://yearbook.unwe.bg/login>). The confirmation letter(s) are sent to the corresponding author of article(s) reception.

Manuscripts are subject to a double-blind peer review system. We inform authors of the decision of their manuscript within one month after the review, and following acceptance, the article is normally published in the journal’s next issue.

The Yearbook of UNWE is indexed with and included in ERIH+, CrossRef, RePec, CEEOL, ROAD, SIS, Google Scholar, J-Gate.

DOI® Number

Each paper published in Yearbook of UNWE is assigned a DOI® number. The DOI of this journal is 10.37075/YB

ADVANTAGES OF PUBLICATION WITH THE JOURNAL

The Yearbook is committed fully to the open access initiative, and it provides free access to all articles as soon as they are published.

The journal provides an opportunity to **share author's publications** in the SSRN’s e-Library - a multidisciplinary online repository of research and related materials in the **ELSEVIER** database. We make it easier for our authors to publish/archive their research articles and abstracts free of charge.
