DEPARTMENT ACCOUNTING AND ANALYSIS THE OLDEST DEPARTMENT IN UNWE

The roots of the Department date back to **1920**, founded by prof. Dimitar Dobrev at the same time as the UNWE was established, before there was a formal department structure.

Prof. Dobrev is our founder, first head of the department and the second Rector of the University.

He is the author of the first Bulgarian PhD thesis in accounting, defended in Germany in 1911.

Prof. Dobrev is the founder of the modern accounting methodology and practice in Bulgaria. He is the founder, first and long running chairman of the Accounting Association in Bulgaria, the Institute of Certified Public Accountants, the founder of the Association of Bulgarian academic scientists, head accountant of Tsar Boris III, a visionary, a creative public figure with a mission.
