

## **Speciality**

### **Management of Hospitality Industry taught in English**

**2 semesters**

### ***Distance Education***

The two-semester Master's degree programme in Management of Hospitality Industry taught in English is developed to meet the demand for highly qualified professionals to work in the global tourism industry. The curriculum is elaborated for **Bulgarian** and **international** students.

#### **Educational Objectives**

- To train highly qualified specialists in the field of tourism.
- To provide specialist knowledge in the field of tourism.
- To meet the demands of the market for obtaining a Master's degree in a short period of time in distance form of education for those who work in the sector but do not have specialized training as required by the Tourism Act.

Graduates could work in the global tourism industry - in local, national and international tourism administrations, high-end accommodation establishments, catering companies, travel agencies, tour operators and other types of tourism businesses in various sub-sectors of the tourism industry.

Graduates of the Master's degree programme in Management of Hospitality Industry taught in English could continue their studies in the Doctoral programme in Economics and Management /Tourism/ provided by the Economics of Tourism Department or in any other Doctoral programme of UNWE.
