

2021 KPMG Talent Triathlon

Dare to join us!

Junior Auditor, Sofia / Varna

As an auditor at KPMG, you will be doing much more than just looking at the company's financial records. You'll be finding out a lot about companies across various industries, the way they function, their products or services, technologies, competitors and the landscape of the sector they operate in. You will be able to build long lasting relationships with colleagues and clients based on trust and focus on quality.

Why join the 2021 KPMG Talent Triathlon?

- It is a 3-stage competition to show your skills
- It is organized by young people your age, sharing their experience about the profession
- It will broaden your network and mindset
- All will be praised and winners will get a prize!

Can Audit fuel your future? Definitely:

- If you want to play detective and gain insider knowledge of complex and dynamic businesses
- If you enjoy interacting with a variety of people and achieving goals as a team
- If you want to access top tools and technologies to compete in our fast moving market
- If you expect a great start and amazing opportunities for career growth
- If you wish to gain an ACCA qualification combined with lots of tailored courses and on-the job coaching

To be successful you need to:

- Be a student or recent graduate in a business degree
- Be motivated to learn and develop in the area of audit
- Have good communication skills in English and Bulgarian

If you want to take the challenge, please apply with your CV and video at bg-careers@kpmg.com by **15 April 2021**, stating your interest to compete in the 2021 KPMG Talent Triathlon. To learn more visit us at home.kpmg/bg.

To protect the safety of all, we have adopted a 'Remote, Yet Nearby' selection process, where all screening, assessment and interviews are performed online with a real-time access to our Talent Team. Stay home, Stay safe, Stay positive!

KPMG has committed to achieve net-zero carbon emissions by 2030 as per [Our Impact Plan](#). We have also committed to advocate for equal opportunity, protecting the physical and mental health of our people, supporting education and lifelong learning in our communities. We act lawfully, ethically and in the public interest. Your application package will be treated with strict confidentiality. Only shortlisted applicants will be contacted.

Some of the information that you provide upon submission of your application is personal data and is covered by the special protection regime under the General Data Protection Regulation (EU 2016/679). KPMG may process your personal data for the purpose of search and selection of suitable candidates for the position as set out above. Your personal data will be stored during the recruitment campaign and afterwards upon your explicit consent or as required by the applicable law. Additional information about the personal data we process in recruitment campaigns, legal reasons and purposes for processing, your rights and other useful information can be found in our [Privacy Statement](#) for job applicants. Please read it carefully before submitting your application.
