

CALL FOR RESEARCH PROPOSAL NOW OPEN

ENGAGE.EU research label

Apply by **10 June 2024**

Online information meeting
14 May, 12:00 pm CET

Calling all academics affiliated with the ENGAGE.EU universities, the alliance officially launches its first call for proposals to obtain seed funding for innovative bottom-up scientific initiatives. The ENGAGE.EU alliance partners are Hanken, Helsinki; Luiss, Rome; NHH, Bergen; Tilburg University, Tilburg; UMA, Mannheim; UNWE, Sofia; URL, Barcelona; UT Capitole, Toulouse; and WU, Vienna.

If you're an academic staff member at an ENGAGE.EU university, this call invites you to submit proposals for research collaboration initiatives and benefit from seed funding opportunities of up to 8,500 EUR per award, with an annual ceiling of 25,500 EUR.

Researchers at all levels, including PhD candidates, are encouraged to participate.

The ENGAGE.EU research label is a vehicle designed to support the early stages of scientific collaborations. It supports smaller, time-limited initiatives that have the potential to lead to long-term partnerships.

Eligibility criteria require that the collaboration involves colleagues from at least three partner universities from the alliance, and be related to at least one societal challenge (connected to the Sustainable Development Goals [SDG](#)).

Submission Deadline: 10 June 2024

Results to be announced: 15 July 2024

1st funding period: from September 2024 to December 2025.

An **online information session** will be held on **14 May at 12:00 pm to 1:00 pm** (CET time).

More information regarding the **online information session**, the **requirements** and the **procedures** can be found via [ENGAGE.EU Research Label – ENGAGE.EU \(engageuniversity.eu\)](#)

For further enquiries, applicants can contact their ENGAGE.EU local contact point (via the link above) or email myriam.greusard@ut-capitole.fr
