

Speciality

**Accounting, Financial Control and Finance with preaching
taught in English**

2 semesters

Full Time Education

Educational objectives

The speciality is officially accredited by the Association of Chartered Certified Accountants /ACCA/ - the world's largest professional body providing accounting, auditing and finance qualifications. The speciality has been developed in collaboration with the ACCA in order to recognize the successfully passed exams as completed modules F5: Performance Management, F6: Taxation, F7: Financial Reporting, F9: Financial Management.

Professional Development

The speciality is aimed to preparation of highly qualified specialists who could work in any sector - in small and medium-sized enterprises, large companies and corporations, financial institutions, organizations in the field of shared services and outsourcing, government and other public sector structures. The ACCA qualification is highly valued for the knowledge and skills that enable strategic thinking and innovative solutions in a dynamically changing world.
