

International Staff Days at WU

(virtual or on-site TBC*)

Responsible University – Universal Responsibility

Wednesday, April 28, 2021 – Friday, April 30, 2021

This event aims at bringing together staff from our university and partner institutions in order to strengthen international networks and exchange ideas. The program offers an excellent possibility to share experiences and best practices with colleagues from various universities while also promoting intellectual and cultural exchange between peers at different institutions. It also gives us the opportunity to introduce you to WU.

Preliminary program:

- Introduction to WU and Campus WU tour
- Poster session – Introduction to participating partner universities
- Market place: Responsible Universities - What does WU do in terms of responsibility? – What is done at other universities?
- Workshop: Inclusion & student mobility
- Climate change and responsible university
- Meeting slots with WU International Office staff and/or other participants

*The decision if the program will take place only online or on Campus WU will be announced after the registration deadline at the beginning of February 2021. Please note that this decision may be subject to later change. As safety is our first priority, we will only conduct the program on-site if the situation related to the Corona Pandemic allows it. Otherwise, we would switch to an online-only format.
